CHAIRMAN'S LETTER

Dear Shareholders,

It is a sheer pleasure to present you with our first and maiden annual report post listing on NSE Emerge last year. It has been a very momentous year for our company and I would like to update you with the same.

In around 6 months of our listing, we completed our primary object of the issue - commissioning our manufacturing unit for stainless sheet polishing and finishing. By the end of the financial year, we had completed our trial productions and initial rounds of testing plant and machinery. This unit will be commercially active for production for FY20. As you must be already aware, this unit is backward integration for our existing product portfolio and our core products - elevator doors and cabins. This unit will strengthen our product offering for our core products, we also plan to do job work of stainless sheet polishing at this unit.

While commissioning of the new manufacturing unit remains the primary highlight of the year gone by, it is important to mention that our existing Udhna unit recorded fantastic growth in operations. We recorded a 49% increase in revenue from operations over the last year, this entire growth was on account of existing operations. In FY19, our existing operations took the entire load of our new capital expenditure, which led to soft growth in profits. However, we are confident of running profitable operations from both of our units in the coming financial year.

I am also happy to report that the board of directors has recently recommended a bonus issue for our shareholders in the ratio of 1:10. I conclude by saying that we see a sustained growth opportunity for our range of products and that we are constantly exploring new opportunities.

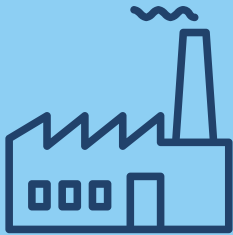

I would like to thank all our stakeholders and our team, for their continued support, hardwork and belief in us.

Mr. Amar Doshi

Management Discussion and Analysis

Indian Elevator Industry

India is one of the largest elevator markets globally, second only to China. Approximately 55,000 - 60,000 elevator units are sold in India annually, which roughly maps the entire Indian elevator market at Rs. 10,000 crores (~ \$1.6 Billion) annually.

In India, the elevator segment has captured majority of the share in overall elevators & escalators market. Majority of elevator installations are in spaces such as residential, retail, transportation, and hospitality sector. While safety and efficiency have become hygiene factors in the Indian elevator market, the trend now is to build environmentally responsible elevators. Also, companies are now paying special attention to aspects which make the elevator ride more pleasing and safe for users while utilizing space efficiently. Attention to aesthetics, styling, air cleansing systems, temperature control, etc. is gaining importance.

Growth Drivers for Elevator Industry

Pradhan Mantri Awaas Yojana

Pradhan Mantri Awaas Yojana was launched in June 2015 with an aim to provide affordable housing in urban poor including Economically Weaker Sections and Low-Income Groups by building 2 crore houses by the year 2022 through a financial assistance of 2 trillion (US\$ 28 billion) from the central government in a phased manner.

Urbanization

India is a developing nation undergoing rapid urbanization coupled with a population influx into Tier 1 & 2 cities as metros have almost reached their capacity. This increased urbanization will result in the construction of more commercial, residential, vehicle parking, and public transportation buildings, which eventually will lead to the adoption of elevators.

Growth of Real Estate

Growth in the residential real estate market drives the elevator market since, with every high-rise and mid-rise building, it is essential to have elevators. In the retail & non-residential real estate space, the construction of shopping malls, airports, metro stations, and hospitals require the use of elevators. The growth of the Real Estate industry is a major demand driver for elevators.

Opportunity as a Regional Vendor

Regional elevator vendors are able to provide elevator parts & services at reasonable prices. Customers prefer to buy elevator parts from the regional market vendors because of the product customization, ease of service support and cost advantages in services.

Demand from Replacement Market

Modernization of aging elevators in mature metro cities is also a major growth driver for the Elevator market. Demand for services in this segment will boost overall market growth.

Challenges in the Industry

High Initial Cost

The initial investment required to purchase elevators is very high, affecting the growth of the market among cost-driven end-users. Also, the effective installation of elevators may require alterations to the entire structure and wiring of a building. In addition to the high initial cost of elevators, installation costs are also very high. This acts as a barrier to the adoption of elevators. Maintenance and operating costs also act as a hindrance to the adoption of elevators among cost-driven residential and commercial users.

Technically sound manpower

It is a challenge to scout and recruit technically sound manpower, who understand the complexity and technicality of elevator products. Technically sound manpower is required not only during the initial installation but also for regular servicing & maintenance of elevators.

Company Overview

Founded by Mr. Amar Doshi in 2013, Aaron Industries Limited is engaged in the manufacturing of elevator and ancillary products based out of manufacturing facilities in Gujarat. Aaron is focused on the manufacturing of value-added products, our most promising product is our uniquely designed elevator cabins. Aaron recently got listed on NSE Emerge (SME Exchange) with an initial public offer of Rs. 4.78 crores in 2018, post which we have commenced our second manufacturing unit for SS Sheet Polishing at Moti Pardi, Tal. Mangrol, Gujarat.

Product Portfolio

Cabin

These products are either sold individually or as a complete elevator set, which includes (apart from the above-mentioned products) traction machine, DGB, LOP – COP and sensors. Our flagship product are our uniquely designed elevator cabins and customized automatic door solution which enhances the ambiance of each of our projects. Our elevator cabins are an axis for customer appeal.

We have also entered the Annual Maintenance Contract (AMC) business for elevators this year, the objective is to create an annuity-based revenue stream for the years to come.

Manufacturing Units

Unit 1 – Udhna (Surat)

Our primary manufacturing unit is located at Udhna, Surat. This manufacturing unit manufactures the entire elevators, electrical and ancillary product portfolio. Currently, almost all of the revenue from operations are driven by this unit.

Unit 2 - Moti Pardi, Tal. Mangrol

Commissioned in February 2019, Moti Pardi unit is the back integration of Aaron's primary product portfolio i.e. elevator doors and cabins. This unit is engaged in the fabrication, polishing, and processing of stainless sheets, which is the primary input for elevator doors and cabins. Apart from elevators, stainless sheet finds applications in a variety of industries such as food storage, architectural & construction, appliances, and many more. Till date, investments of 7+ crore have been made in the building, plant & machinery of this unit. Commissioning of this unit is a strategic decision to strengthen the supply-side of our core products i.e. elevator doors and cabins, which currently constitutes ~43% of revenue from operations. This unit will also engage in job work activities of polishing and finishing stainless steel sheets.

Distribution and Marketing Activities

We have a strong and growing distribution network of 350+ installers and channel partners. These installers are spread-out throughout India, however, our primary market is Gujarat followed by Maharashtra and Andhra Pradesh. We have been consistently working towards growing our distribution network. We have also been participating regularly in trade-expos and exhibitions, a recent one was Elevator Escalator Expo-2019 held at Gandhinagar, Gujarat in the month of February 2019, we received a tremendous response at this event. We also participated in Asia Elevator Escalator Expo-2018 held in September 2018 in Noida.

Performance Discussion

FY 2018-19

Aaron grew its revenue from operations by 49.2% and total income by 49.1% on a y-o-y basis in FY19. This was on account of strong production volumes, in Elevator and Electric divisions, from the existing Udhna plant. We witnessed a 13.9% increase in EBITDA on a y-o-y basis in FY19, however, the EBITDA margins recorded a downtrend from 13.4% in FY18 to 11.7% in FY19. The fall in EBITDA margins was primarily due to the additional employee benefit expenses and administrative & general expenses (pertaining to recently executed capital expenditure). We also witnessed a 100.8% jump in interest cost and a 101.3% jump in depreciation & amortization cost due to increase debt and investments in plant & machinery. Due to this, we witnessed a marginal growth of 17.1% in profit before taxes y-o-y basis and a slight de-growth of -12.9% in profit after taxes y-o-y basis.

Outlook

We witnessed strong growth in the volume of business from Udhna plant this year, however, the EBITDA margins witnessed a downtrend on account of additional expenses from the upcoming Moti Pardi unit. With commissioning of the Moti Pardi plant at the end of the financial year, we will witness the contribution from this plant in FY20. This will lead to significant revenue growth and normalization of EBITDA margins. In the coming years, we expect a decent contribution from the new manufacturing facility along with debottlenecking of the existing manufacturing unit.

Internal Controls and Adequacy

The Company has in place an adequate system of internal control commensurate with the size and nature of its business. These have been designed to provide reasonable assurance that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly and the business operations are conducted as per the prescribed policies and procedures of the Company. The Audit Committee and the management have reviewed the adequacy of the internal control systems and suitable steps are taken to improve the same.

Explanatory statement pursuant to Section 102 of the Companies Act, 2013

Item No. 4 & 5:

The equity shares of the Company are listed on the National Stock Exchange of India Limited. The Board of Directors of the Company at its Meeting held on 12th July, 2019 considered and approved, subject to approval of the shareholders of the Company and any other statutory and regulatory approvals as applicable, bonus issue in the proportion of 1 (One) equity share of Rs. 10/- each fully paid-up for 10 (Ten) equity share of Rs. 10/- each fully paid-up held of the Company held by the shareholders as on the Record Date by capitalizing whole or part of sum standing in the Securities Premium Account. As on 31st March, 2019, a sum of Rs. 3,53,14,743.07/- is standing in the Securities Premium Account.

The present Authorised Share Capital of the Company is Rs. 5,00,00,000/- (Rupees Five Crore) divided into 50,00,000 (Fifty Lakh) Equity Shares of Rs. 10/- (Rupees Ten) each. Accordingly, it is necessary to increase the Authorised Share Capital to facilitate issuance of Bonus Shares and for future requirements. Hence, it is proposed to increase, the Authorised Share Capital of the Company to Rs. 6,00,00,000/- (Rupees Six Crore), divided into 60,00,000 (Sixty Lakh) equity shares of Rs. 10/- (Rupees Ten) each by creation of additional 10,00,000 (Ten lakh) Equity Shares of Rs. 10/- (Rupees Ten) each ranking pari passu in all the respect with the existing equity shares of the Company.

The increase in Authorised Share Capital as aforesaid would require consequential amendment to the existing capital clause in the Memorandum of Association of the Company.

In terms of the provisions of Sections 13 and 61 of the Companies Act, 2013, approval of the shareholders of the Company is sought by way of an ordinary resolution for increasing the Authorised Share Capital of the Company and consequential alteration to Clause V of the Memorandum of Association of the Company.

Articles 165 of the Articles of Association of the Company inter-alia, provides that the Company's reserves may be capitalized and distributed amongst the shareholders of the Company as would be entitled to receive the same if distributed by way of dividend and in the same proportion that they become entitled thereto as capital and that all or any part of such capitalised fund be applied on behalf of such shareholders in paying up in full any unissued share.

The Bonus Shares so allotted shall rank pari passu in all respects with the fully paid-up Equity Shares of the Company as on the Record Date, save and except that they shall be entitled to participate only in such dividend which may be declared after the allotment of the Bonus Shares.

None of the Directors or Key Managerial Personnel of the Company including their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution, except to the extent of the equity shares held by them in the Company.

Your Directors, therefore, recommend the passing of the resolutions mentioned in Item No. 4 & 5 as an Ordinary Resolutions.

INDEPENDENT AUDITORS REPORT

To the Members of Aaron Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of Aaron Industries Limited, which comprise the balance sheet as at 31st March 2019, and the statement of profit and loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further

described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matters

The key audit matters	How the matter was addressed in our audit
Accuracy of recognition, measurement, presentation and disclosures of elements of Post-employment Benefits: - Defined Benefit Plan and related balances as per AS 15	
<p>During the year the company has first time adopted AS-15 and complied with the requirement of recognition, measurement, presentation and disclosures of Post - employment Benefits consisting of defined benefit Plan and related balances as per AS 15. Accounting for defined benefit plans is complex because the benefit payable to employees by way of gratuity is required to be measured on the basis of actuarial assumptions. For measurement of obligation of employer under the defined benefit plan normally measurement is done using a discount rate involving a judgment and assumptions. (Refer Notes to Account 2(k).)</p> <p>We identified the reporting of various aspects of defined benefit plan as per AS 15 as KAM because</p> <ul style="list-style-type: none"> This is the first year of adoption of AS 15 fully as far as it relates to defined benefit plan. The calculation of obligation requires use of actuarial and financial assumptions. The company has not availed the services of qualified actuary but has relied on actuarial valuation done by insurance company from whom the company has bought the policy to fund the obligation. There is an inherent risk about the accuracy of the actuarial assumptions, discount rate and rate of salary escalation taken by the insurance company. Accounting for defined benefit plans is complex and requires a numbers of judgments and assumptions. 	<ul style="list-style-type: none"> We assessed the company's process of adoption of full compliance with AS 15 as far as it related to recognition, measurement, presentation and disclosures of elements of defined benefit Plan as per AS 15. We also evaluated the related internal controls for management review and approvals for the same. We read the terms of the policy document and noted the related working of calculation of gratuity benefit and the assumptions used therein. We discussed with the management the assumptions and estimates used in the calculation and their reasonableness. We evaluated the appropriateness of the disclosures made in the financial statement of the current period.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- i. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iii. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- iv. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms

of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- 1) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- 2) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- 3) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- 4) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- 5) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- 6) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- 7) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies

(Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Aaron Industries Limited of even date).

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Aaron Industries Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
