Ref: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

We, Aaron Industries Limited are pleased to inform you that our Company is participating in the Exhibition "**INDIAWOOD 2022**", which will be held from 2nd June, 2022 to 6th June, 2022 at the Bangalore International Exhibition Centre, Bengaluru, India. The show will be organized by NuernbergMesse India and supported by EUMABOIS.

It will provide us with an opportunity to display the range of our products including "**Stainless Steel Finish Sheets, Stainless Steel Designer Sheets & Stainless Steel Press Plate for High-Pressure Laminate (HPL) Industries**". This will help us further in developing our market at the domestic and international levels.

As informed earlier, we started manufacturing **Press Plates** for the High-Pressure Laminate (HPL) industry. Stainless Steel Press Plates are used to manufacture laminate sheets, also we make Press Plates for the short-cycle press to manufacture particleboard.

In INDIA we are having one of the most advanced technologies same as the world is using today to make Press Plates. In a short span of 2 years with the hardworking of team **AARON**, we have achieved successful manufacturing of press plates as per the international standard and to the date, the Indian laminate industries are used to import press plates from China and European countries.

Further, AARON is working dedicatedly on making of Press Mould Plate in India. Nowadays, HPL Industries has used our plates and given us repeated orders.
