**Sub: Update on the Establishment of New Manufacturing Unit (Unit-3)**

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('**Listing Regulations**') read with Para B of Part A of Schedule III to the Listing Regulations, and further to our previous communications to the NSE dated October 13, 2023, and January 25, 2024, we wish to inform you of an update regarding the construction of our new manufacturing unit at Block No. 251, Plot No. B-2, Royal Industrial Park, Village Moti Pardi, Taluka Mangrol, Surat - 394120, Gujarat, India.

The construction of the new manufacturing unit (Unit-3) is currently ongoing. However, we have encountered a delay in the completion timeline, now projected to be finalized by July 2024. The delay was primarily due to an unforeseen issue where a section of the floor broke, necessitating a reconstruction effort that halted progress for over 20 days. This interruption was essential to ensure the structural integrity of the unit. We are pleased to report that construction has since resumed and is proceeding smoothly.

We will continue to keep the stock exchange informed regarding significant developments, including the commencement of commercial production or operations at the new unit.

This is for your information and record.

Thanking you.

Yours faithfully,  
**For Aaron Industries Limited**
